

Let's keep it simple: you want to go from
here to anywhere, hassle-free, in any car.

The c-series from Garmin. Car navigation made easy.

The StreetPilot c-series is your answer.

Big displays, great maps, handy user
prompts and touch screen operations
make these GPS navigators so easy to use.

If you travel one region, the SD card-capable
StreetPilot c320 is the cost-effective way
to go. Broaden your horizons and you'll

want the StreetPilot c330, which is
preloaded with detailed maps of North
America or Europe. And for backup pro-

tection, your StreetPilot c340 can even
provide traffic alerts (in select cities), when
used with the optional GTM™10 FM TMC

traffic receiver. For portable, affordable car
navigation, reach for the StreetPilot c-series.

Moving map features

Storage:

c330/340	Pre-programmed with City Select® NT, providing street-level detail and addresses, plus listings of nearest restaurants, hotels, ATMs, etc., throughout the U.S., Canada and Puerto Rico
c320	Removable 128 MB SD card
